

State of Alaska “Silver Alert” Plan

On July 10, 2013, Governor Sean Parnell signed Alaska House Bill 59, providing for a missing vulnerable adult, prompt response and notification plan. Such plans are known nationally as “Silver Alert” plans and the following plan is Alaska’s implementation of Silver Alert developed through cooperation of the Alaska Department of Public Safety, Division of Alaska State Troopers and the Department of Military and Veterans Affairs, Division of Homeland Security and Emergency Management.

Silver Alert is a voluntary partnership between law enforcement agencies, state and local government and Alaska’s media and broadcasters to alert the public when a vulnerable adult is missing and believed to be in serious danger. Under the Silver Alert plan, government, media, and broadcasters use public media to provide the public with information about at-risk, missing vulnerable adults.

Alaska’s Silver Alert plan provides a way for families, care givers, law enforcement, media, and the public to cooperate in locating missing elderly and disabled populations. A **Silver Alert** provides the public with information about missing at-risk vulnerable adults in order to aid in their return.

As established by HB 59, Alaska’s Silver Alert plan defines *“vulnerable adult” as a person 18 years of age or older who, because of physical or mental impairment, is unable to meet the person’s own needs or to seek help without assistance.*

This Silver Alert plan describes the roles cooperating parties play in the Silver Alert system and the procedures for issuing a Silver Alert.

Activation Criteria

Silver Alerts will not be issued for every missing adult and will be issued only when specific requirements are met.

For a Silver Alert to be issued for a missing individual, the following criteria must be met:

- The individual is lost on foot or in some mode of transportation
- The individual is 18 years of age, or older
- There is a clear indication that the individual has a deterioration of intellectual faculties, a physical impairment or medical condition that makes them unable to meet their own needs or to seek help without assistance.
- Enough descriptive information on the missing individual and their last known location is available to assist with their safe recovery.
- Law enforcement verifies the criteria above and believes the missing individual is in danger and may come to serious harm if not located.

Program Requirements

1. Silver Alerts require a coordinated effort by law enforcement, emergency management, Alaska's broadcasters, and the private sector to insure the alerts are appropriate and disseminated to the public.
2. Care givers and the public requesting Silver Alert activation must contact their local law enforcement agency or the Alaska State Troopers. Only a law enforcement agency within the State of Alaska may initiate a Silver Alert, in Alaska.
3. Initiation includes following the Silver Alert procedures listed in this plan, taking information from the public, providing media releases and photographs, and notifying the Alaska State Troopers (AST) who will coordinate notifications to other agencies. If a law enforcement agency is unable to fulfill some or all of the initiation responsibilities, they may contact AST who will initiate the Silver Alert for them and handle those responsibilities.
4. Participation in the Silver Alert program by Alaska's broadcasters and media is voluntary.

Silver Alert Activation Procedures

The following are the procedures for activating Alaska's Silver Alert system:

1. **Local Request/Evaluation of Incident:** Initial request for Silver Alert

A care giver of a missing vulnerable adult who requests Silver Alert activation will contact their local law enforcement agency, providing sufficient information so that law enforcement can evaluate if the missing vulnerable adult meets the Silver Alert activation criteria listed in Appendix 1. If law enforcement becomes independently aware of a missing vulnerable adult they may consider initiating a Silver Alert independent of a care giver.

When a law enforcement agency receives a report that a vulnerable adult is missing and they believe the incident meets the Silver Alert criteria, the incident will be evaluated based upon the Silver Alert Criteria. (See Appendix 1 – Silver Alert Criteria Checklist).

2. **State Notification:**

If the law enforcement agency supervisor believes a Silver Alert is warranted, they will:

- Enter the incident information into NCIC and APSIN
- Contact the Alaska State Troopers/Fairbanks Dispatch Center (AST/FDC)
- Fax or email a completed copy of the Silver Alert Request form (Appendix 2) to the AST/FDC requesting a Silver Alert.

Note: If the requesting law enforcement agency is able to receive calls from the public, their public contact information will be included. If not, AST Fairbanks dispatch will receive calls from the public and forward them to the law enforcement agency.

3. **Silver Alert Activation:**

Once AST/FDC receives a signed Silver Alert request from a law enforcement agency, a supervisor will confirm the Silver Alert criteria have been met and then proceed with Silver Alert activation.

1. Silver Alert Website Activation:

AST/FDC will post the Alert on the statewide Silver Alert website at <http://silveralert.alaska.gov>. Activating an alert on the website immediately triggers the Silver Alert public email listserve which sends an email to everyone subscribed to the Silver Alert email listserve <https://list.state.ak.us/mailman/listinfo/silver.alert>.

The Silver Alert Website activation will include:

- Description of the vulnerable adult (name, race, age, physical attributes, clothing worn)
- Where they were last seen and any location they are believed to be destined for
- Any suspect description (if any evidence of abduction is present)

- Any associated vehicle description
- Phone number for the public to call with information
- A photograph of the vulnerable adult and any suspect, if available

2. Public Information Officer Notification:

The AST/FDC will notify the DPS Public Information Office with the Silver Alert information.

3. 5-1-1 Update:

AST/FDC will update the statewide 5-1-1 system to include the Silver Alert information.

4. Additional Participating Agency Notification:

AST/FDC will notify the SEOC, DOT/PF Operations, and any other participating agency relevant to each particular Silver Alert event.

4. Routing of Calls from the Public:

The Alaska Silver Alert number, 1-855 SILVR99 (1-855-745-8799) and 9-1-1 will be used for each Silver Alert activation. The Alaska Silver Alert number (1-855-745-8799) rings directly into the AST/FDC. Local law enforcement agencies will also receive calls through local 9-1-1 exchanges. Any call received by the AST/FDC will be forwarded to the appropriate requesting agency after recording the caller's name, call-back number and pertinent details.

5. Cancellation of a Silver Alert:

The originating law enforcement agency will contact AST/FDC when the Silver Alert is to be canceled. The AST/FDC will cancel the alert by:

- Updating a cancellation on the Alaska statewide Silver Alert website at <http://silveralert.alaska.gov>. Canceling an alert on the website immediately triggers the Silver Alert public email listserve which sends an email to everyone subscribed to the Silver Alert email listserve <https://list.state.ak.us/mailman/listinfo/silver.alert>.
- Updating the 5-1-1 system to reflect the Silver Alert cancellation.
- Notifying the DPS Public Information Office of the cancellation.
- Notifying participating agencies of cancellation.

6. Extended Delay Locating the Missing:

In order to allow for distribution of critical road safety notifications on the 5-1-1 system and highway signs, If the missing is not located, after 24 hours, the AST/FDC will:

- Remove the Alert from the 5-1-1 system
- Remove the Alert from all highway road signs

If the missing is not located, after 30 days, the missing will be posted to the DPS Missing Persons Clearinghouse <https://dps.alaska.gov/AST/SAR/MissingPerson> and AST/FDC will:

- Cancel the Alert on the Alaska statewide Silver Alert website at <http://silveralert.alaska.gov>. Canceling an alert on the website immediately triggers the Silver Alert public email listserve which sends an email to everyone subscribed to the Silver Alert email listserve <https://list.state.ak.us/mailman/listinfo/silver.alert>.
- Notify the DPS Public Information Office of the cancelation.
- Notify participating agencies of cancelation.

1. Silver Alerts will be initiated according to the procedures and criteria in the Alaska Silver Alert Plan following evaluation by local law enforcement. Media will be advised of Silver Alerts through email to the Alaska Silver Alert Public email listserve. The Emergency Alert System (EAS) will not be used for Silver Alerts.
2. Silver Alerts will be distributed to Alaska's media for distribution to the public. It is recommended the media consider distribution through the following methods:
 - Broadcast special report, crawler, announcement
 - Website posting
 - Social Media alert / post
 - Email broadcast
